### 12 October – Conservation of Lesser Kestrel and its environment

9:00-10:30 Arrival of late participants and registration

10:30 Opening of the conference

11:00 Introductory talk on Lemnos Island environmental context (MedINA ngo)

12:00 Lectio Magistralis by Prof. Ines Catry

13:30 Lunch

14:30 to 18:00 Talks by participants (20-30 minutes each including discussion)

20:30 SOCIAL DINNER OFFERED BY FALKON at Grand Hotel Patelli

### 13 October – Research updates on Lesser Kestrel

9:30 Lectio Magistralis by Prof. Javier Bustamante

10:30 to 13:30 Talks by participants

13:30 Lunch break

14:30 – 17:30 Talks by participants

17:30 General roundtable aimed to reinforce a trans-Mediterranean Lesser Kestrel network.

21:00 Free time. For those who want: dinner in Myrina downtown

## **14 October – Field Trip**

**9:00 to 13:00**

**FIELD EXCURSION:** visit to LIFE FALKON intervention sites in eastern Lemnos, birdwatching, visit to a local farm, beach time (!)

**14:00** Back at the Hotel in Myrina

*NOTE: We recommend to book flights on day 14 from 15:30 onwards to facilitate the organisation. However, note that Limnos is a very small island: we will probably have mini-vans and we can arrange transport for people having earlier flights. Indeed, also Hotels can arrange it privately at cheap reates.*
